California Channel Island Diver Report for Dec2014
Text: Johanna Wight, Photos: Bruce Wight

We boarded the Truth Aquatics boat in Santa Barbara Sunday late afternoon and Captain Jerry left the doc around 10pm. Snuggled in my bunk to sleep, the crossing was smooth and easy, quite a surprise since there was weather expected. Upon waking the next morning, I'd forgotten diving in the winter starts later in the day due to the later rising of the sun and the colder air temperature. The upside to this is I got to sleep in later, yay!

First dive plan: test out new dry suit, as I wrote in a previous article, my old dry suit "shrunk" (or maybe I grew but I don't like that version of the story). Anyway, donned my suit and plunged into the cold Pacific waters. Well they were not that cold, 59 to 61 degrees F throughout the trip. But it felt cold as I dumped all the air from my dry suit and it softly squeezed in on me as I descended in the water column. Can't believe I used to dive this time of year in a wet suit, but that was long ago (ha! that wet suit doesn't fit me anymore either).

Anyway, as I slipped through the cool Pacific water, the serenity of being weightless and listening to the sound of my breath stilled my thoughts and the peacefulness that comes with being in this environment settled on me. The kelp

CONTEST LEVELS

Contestant Levels and Advancement

1. **AMATEUR**

Only global changes* are allowed. This category includes members shooting an SLR camera system, with one year or less of underwater photography experience, or shooting with a point and shoot (PAS) camera. At the end of the year the first place winner/s or any member attaining 18 points shall advance to Amateur. PAS camera users who have advanced to the Amateur category and have entered images for at least 6 months, but have not accrued more than 6 points, may choose to return to the Amateur category the following year.

2. **ADVANCED**

Only global changes* are allowed. This category includes members having at least one year experience in underwater photography or who no longer qualify for the Amateur category. PAS camera shooters may choose, or be required, to be in this category. At the end of the first year, the first place winner/s or any member attaining at least 18 points (board confirmed) shall advance to the Open category. Members who have advanced to the Open category and have entered images for at least 6 months but have not accrued more than 6 points, may choose to return to the Advanced category the following year.

3. **OPEN**

Digital manipulation is allowed except for composite imaging (adding to an image). This category includes members who are considered professional or advanced underwater photographers by the OCUPS board or any member wishing to manipulate their images beyond basic global changes*. Open category members who have entered images for at least 6 months but have not accrued more than 6 points may choose to return to the Advanced category the following year.

*Definition of Global Modification: Changes that affect the entire images, such as cropping, saturation, white balance, levels, sharpening, and contrast. Prohibited modifications would include the use of layers or other tools that are applied to a specific area i.e. brushes, healing, cloning, etc. Contestants may enter images for only one still category in a given year. However, the video category is separate and may be entered independent of the still category. Member eligibility for a category will be determined at the first of the year or when joining the club. Members may choose to move up a category, but not down, during the year, forfeiting all previous points accumulated.

Photographers taking photos with both PAS and SLR cameras will be classified as an SLR photographer. PAS photographers are not restricted to the Amateur category. The OCUPS board may review eligibility qualifications and request a member to change their category.

Fee: Please contribute \$2 per slide up to 2 slides and \$5 for 3 slides entered.... this money goes to help pay for the awesome trophies and plaques at the end of the year. We, however, do not need any money to improve the Perpetual Trophy for Flooding, it is a gem just the way it is!

4. Two entrants, minimum, are required to hold a contest in a particular category (Open, Advanced & Amateur) and award points.
5. For monthly photo contests where there is only one entrant in Amateur or Advanced categories, the entrant is allowed to compete in the next higher category, only for that month. And, if the entrant places in the higher category, points for the placement will be awarded but be applied to their original category e.g. if a sole Amateur entrant participates in the Advanced contest and wins 2nd place, the entrant would receive 2 points in their original Amateur category.
